You may notice that the dividend posted on your main share account on December 31, 2023 is slightly larger than you expected. That's because Members Choice CU paid a special dividend on all active share accounts at the end of the year. MCCU knows the importance of our members, and we are extremely pleased to have the opportunity to give back to them when possible. Call the office at 937-548-0360 with any questions about the special dividend, and as always, thank you for allowing us to handle your financial matters.
