You may notice that the dividend posted on your main share account on December 31, 2024 is slightly larger than you expected. That's because Members Choice CU paid a special dividend on all active main share accounts at the end of the year. We are also giving back to members who utilize our loans as follows: \$25 per collateral installment loan and \$50 per mortgage loan with an open balance as of December 31, 2024.

MCCU knows the importance of our members, and we are extremely pleased to have the opportunity to give back to them when possible. Call the office at 937-548-0360 with any questions about the special dividend, and as always, thank you for allowing us to handle your financial matters.

This institution is not federally insured. Members accounts are not insured by the government or any government sponsored agency. By choice, MCCU has chosen to insure accounts for up to \$250k with the nation's largest private insurer, American Share Insurance.
